

3FI/Internship Certificate/ Smrithi Mahalakshmi

18th August 2022

TO WHOMSOEVER THIS MAY CONCERN

This is to certify that Ms. Smrithi Mahalakshmi is studying in SSN College Of Engineering and has successfully completed her internship in the field of computer science in our organization from 1st August 2022 to 12th August 2022 under my direct supervision.

During this period, she was exposed to the software development activities and given tasks for her hands on training and understanding of the industrial requirements. The platform in which she worked was HTML,CSS and SQL Server as part of Web development project.

She was found to be hard working, sincere and self-motivating, who could work with minimum instructions.

We wish her all the best in her academics and professional career.

Narendrakumar R.
Techops Application Superintendent
